

## **Sample Team Member Letters to Residents**

### **Sample 1.**

What a great time the past few days have been, getting to know and understand each other and sharing God's love. A special time – God's time!

God loves you, and there are also many people you don't know who care about you!

You know mate, God never forces you to do anything. He is waiting for you to accept Him. I know this from my own personal experience. All you have to do is ask. How easy is that!

Thank you so much for being with us and sharing yourself. You are valued and appreciated.

Yours in Christ,

### **Sample 2.**

Thank you for joining over the past few days and sticking with us. What a wonderful time it has been – lots of singing, great talks and delicious food. Kairos time – God's special time.

As I write this letter there are people all over Australia and around the world who are praying for you. Why? Because they care, just as every member of this team cares about you.

I hope that you are enjoying this time with us as much as I am. There is something very special about sharing God's unconditional love.

I pray that this experience will give you encouragement and hope for the future.

May God bless you and those that you love.

Yours in Christ
