

A simple idea to raise funds for Kairos Outside Weekends

Make a batch of simple little cards or buy blank cards from a cheap shop.

Include the words inside:

“Your meal was donated with love from
.....”

(there is a pdf to print out)

Then ask friends and family to donate \$10 (or whatever value you set) and ask them to write their *first name only* on the line inside.

Collect the card back and at the Weekend set them up at meal places of guests as a gift of Agape.

Simple.
